Application for a travel document

Use this form to apply for a travel document, if you cannot apply via the e-service at www.migrationsverket.se.

When you have submitted your application, please wait until the Swedish Migration Agency contacts you. We will inform you about how to conduct the personal visit.

You can get a travel document in accordance with the 1951 Geneva Convention, if you have been granted a declaration of refugee status or a refugee status declaration. If you are stateless, you can get a travel document in accordance with the 1954 New York Convention.

If the application concerns a child under 18 years of age, it must be completed by the child's parent/legal guardian or guardian. If there are two parents/legal guardians, the other parent/legal guardian must give their consent using the form Consent for the Swedish Migration Agency to issue a passport (alien's passport or travel document) for a child under the age of 18 (247011).

Help us shorten the waiting times by filling in the form on the computer or by applying via the e-service. Clear and correct information reduces the risk of us having to ask you for additional information. It makes it easier for both you and the Swedish Migration Agency.

It is important that you provide the correct contact details to the Swedish Migration Agency. When we have received the application, you can check whether your information is updated on "My page" via www.migrationsverket.se.
