Application for a working holiday visa for young people

Use this form if you are between 18 and 30 years old, a citizen of Australia, Canada, Hong Kong, Japan, New Zealand or South Korea and are applying for a residence and work permit in Sweden.

Sweden and the above-mentioned countries have special agreements for providing young people the opportunity of exchange programs for the purpose of becoming acquainted with the culture and social life of the respective country. You can obtain a permit to stay in Sweden for up to one year, and you are then entitled to work in Sweden. You must show that you can support yourself during the first period in Sweden.

The main rule is that you should apply for and have been granted a permit before entering Sweden. You can apply at www.migrationsverket.se or fill out the form and submit your application to a Swedish embassy or consulate-general. If you are in Sweden, send the form to The Swedish Migration Agency, Box 3100, 903 03 UMEÅ.

We will contact you if you have to pay an application fee. If you have a representative, we will contact the representative. If you submit your application at an embassy or consulate general, you will receive information on how to pay there. If you choose to apply via the e-service, you will pay a fee, if applicable, when you submit the application. Japanese citizens may apply without paying an application fee. Read more about our application fees and payment methods at www.migrationsverket.se.

Help us shorten the waiting times by filling in the form on the computer or by applying via the e-service. Clear and correct information reduces the risk of us having to ask you for additional information. It makes it easier for both you and the Swedish Migration Agency.
