## Application for an ICT permit to work in Sweden

Use this form when you apply for an ICT permit to work in Sweden on grounds of a transfer within a company or group of companies and you are a citizen of a country outside the EU/EEA area and Switzerland.

Your position in Sweden should be that of a manager, specialist or trainee. To obtain an ICT permit, you must be offered a salary for your job that is at the same level as that specified in the collective agreement which rules conditions within your area of occupation. Your employment conditions must also be at least equal to those of an employee stationed in Sweden.

When applying for the first time, you must complete the application and have your permit granted before entering EU. If you have an ICT permit in another EU country and intend to work within the same group of companies in Sweden, you may apply for an ICT permit for mobility for a longer stay when you are in Sweden.

Your employer can initiate the permit application at [www.migrationsverket.se](http://www.migrationsverket.se). If you are unable to apply online, fill out the form and submit your application to a Swedish embassy or consulate-general. If you are in Sweden, send the form to The Swedish Migration Agency, Box 3100, 903 03 UMEÅ.

We will contact you if you have to pay an application fee. If you have a representative, we will contact the representative. If you submit your application at an embassy or consulate general, you will receive information on how to pay there. If you choose to apply via the e-service, you will pay a fee, if applicable, when you submit the application. Read more about our application fees and payment methods at [www.migrationsverket.se](http://www.migrationsverket.se).

Help us shorten the waiting times by filling in the form on the computer or by applying via the e-service. Clear and correct information reduces the risk of us having to ask you for additional information. It makes it easier for both you and the Swedish Migration Agency. Further information is available at [www.migrationsverket.se](http://www.migrationsverket.se).
