## Residence permit for highly qualified persons to look for work or start a business

Use this form if you have completed studies that correspond to a second-cycle degree (master's or equivalent) and want to reside in Sweden to apply for a job or to investigate the possibilities of starting a business. You can receive a residence permit for a period of up to nine months.

You should apply for and have been granted a permit before entering Sweden. You can apply at [www.migrationsverket.se](http://www.migrationsverket.se) or fill out the form and submit your application to a Swedish embassy or consulate-general.

We will contact you if you have to pay an application fee. If you have a representative, we will contact the representative. If you submit your application at an embassy or consulate general, you will receive information on how to pay there. If you choose to apply via the e-service, you will pay a fee, if applicable, when you submit the application. Read more about our application fees and payment methods at [www.migrationsverket.se](http://www.migrationsverket.se).

Help us shorten the waiting times by filling in the form on the computer or by applying via the e-service. Clear and correct information reduces the risk of us having to ask you for additional information. It makes it easier for both you and the Swedish Migration Agency.
